WHY A SPECIAL ITALY

Italy boasts the **biggest concentration** of **Unesco** Heritage sites

Italy has a big **variety** of landscapes, traditional small villages, diverse nature scenarios

Italy offers one of the **best food&wine** selection in the world

STILL

90% of **tourists** spend only an average of **4 nights**, visiting mostly Rome, Venice, Florence and Amalfi Coast. If you want to enjoy a **unique** and **true** experience you must **venture further**

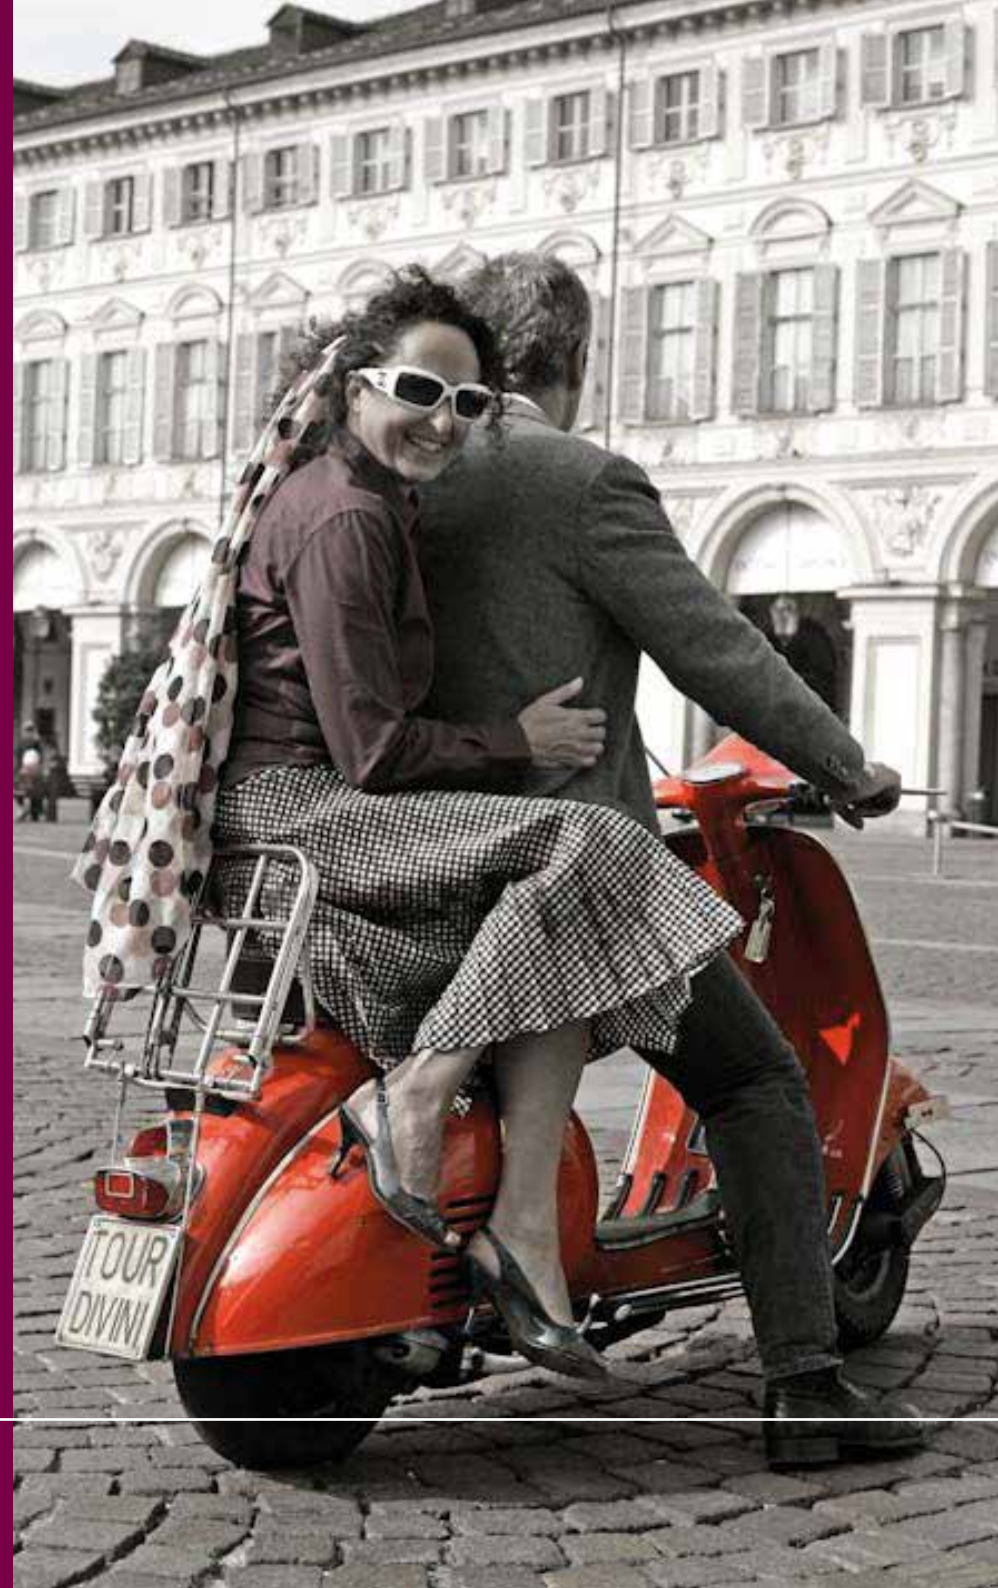

OUR MISSION

Why **Tour Divini**?

We build your **tailored** experiences of Italy **off the beaten path**

We personally **take care** of **every detail**

We bring you to **unique locations**, and engage in exclusive activities that will become your **best memories ever**

OUR APPROACH

We believe that true luxury is:

To live authentic **experiences** in a small and selected group, like locals

To offer **custom**, highly curated **organization** to grant you the best exclusive tour

IT IS WHAT WE DO BEST!

We are experts of the territory, with a great know how in creating **tailor made** special and exciting activities

We leverage the experience and passion of a network of on-site local associates to **assist you at best**

HOW WE DO IT: OUR PEOPLE

Our people are locals in the regions where we go, and we personally **choose** and **test** all structures and partners: **wine makers**, cooks & chefs, wine experts, **cheese makers**, farmers, **photographers**, diving instructors....

Our **tour leads** and **guides** are **great story tellers**, who transmit a **passion** for the real authentic taste of Italy and its lifestyle
